

Jesus Celebration Center Twin Cities

Jesus Celebration Center Twin Cities
6879 Washington Ave S
Edina MN. 55439
Phone: 952-288-1631

Measures that we are taking as we reopen the doors of Jesus Celebration Center Twin Cities, for the safety of our members and guests.

- 1. Seating arrangements:** We will keep distance during the service. Guests will sit two chairs apart from another and we will also block every other row to allow distance from all sides.
- 2. Guest safety:** Members are welcome to bring their own masks and wear them during the service. We will have hand sanitizer available at the usher's desks. All members are required to Sanitize their hand before entering the sanctuary.
- 3. Children:** Children are welcome to attend the service. However, until further notice, we will not have Children's Church. We ask all kids to sit with their parents through the service.
- 4. Microphone handling:** We will assign a mic to all our worship members and pastors. They are required to use the assigned mic in every service until further notice. The mics to be sanitized before and after the service.
- 5. Worship Team:** All the worshippers are welcomed to served. For distancing purposes, worshippers will be assigned a standing spot both on the altar and below the altar.
- 6. Ushers:** Ushers will welcome the brethren without shaking hands. They will direct the guests to use sanitizers and where to seat.
- 7. After the Service Fellowship:** Until further notice, we will not have refreshments after the service. Members are also asked not to crowd the church entrance.
- 8. Continue to stream online:** We will try to go LIVE during preaching time to serve those that are not comfortable attending the service physically or at work.
- 9. Bathrooms:** We will have sanitizing wipes, enough hand soap and sanitizer available in the bathrooms. The bathrooms will be sanitized before and after every service with bleach.
- 10. Offering:** We encourage all members to continue using online and text giving of tithes and offerings. The ushers will use gloves to pass the basket and to count the offering.
- 11. Doors:** To be sanitized before and after service.
